Warsaw Ghetto Uprising - Photo from Jürgen Stroop Report to Heinrich Himmler from May 1943. The original German caption reads: "Forcibly pulled out of dug-outs". One of the most famous pictures of World War II.

Warsaw Ghetto Uprising Wiki

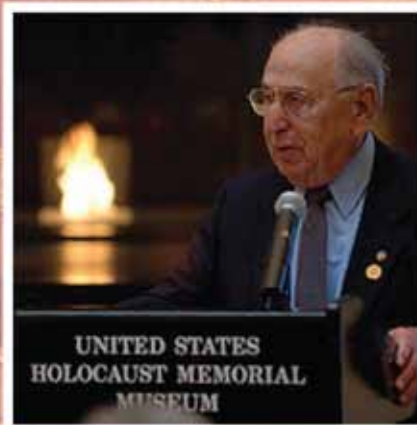

We must learn from the past as we address the present and the future ... We, the eyewitnesses of the horrors of the past, must remind and warn those around us ... that hatred consumes not only its intended victims but its passive bystanders as well. In this way, the lessons of the Holocaust will be applied once again as we seek to create a better and a saner tomorrow."
